Group Exercise Timetable

INTENSIVE Workouts

BURN - IVERIDGES' 8-Week Fitness Plan.

Thrilling cardio-based workouts including High Intensity, Bodyweight, Bike and Ski Erg, Assault Bikes, Kettlebell, Sled and Rowing exercises to increase your level of fitness and elevate those endorphins. Each week, you'll be given a new challenge guaranteed to make your body burn.

STRONG - IVERIDGES' 8-week Strength Plan.

Classes including Barbells, Dumbbells, Kettlebells, Balls and Bodyweight workouts to increase your level of strength and get you into your best shape ever. Each week, you'll try out a new and challenging workout guaranteed to get you strong fast. **PUMP IT UP** uses a range of barbell exercises to help switch it up.

BOXFIT

This session includes a boxing and fitness session. The workout includes circuit based exercises and includes Boxing Bags, Ski Ergs, Assault Bikes and Pad Work. Gloves can be provided or you can bring your own, no experience needed.

Strong for LIFE

This session helps develop strength for life! Working with different kinds of resistance equipment and bodyweight, you will gently be coached to develop your strength, balance, core and endurance to support everyday life and tasks. Perfect to stay on top of your game!

Zumba Strong

This class targets all major muscle groups to the beat. A great energising workout for all levels. This is cardio, combat and bodyweight training session and modifications can be offered for all levels. A superb class.

HYROX – (Coming March 25)

Put simply. These sessions are a mix of BURN & STRONG. These sessions include training drills to help get that body super fit. Drills include shuttle runs, sled training, lunges, burpees, wall balls, ski ergs and everything else to get you in tip top shape.

Step & Tone

This session combines step box combinations with metabolic strength activities for a full body workout. Some experience of step is recommended. An amazing calorie burning experience.

DanceFIT

Awesome dance moves to pumping 80's & 90's, Zumba and current pop and dance classics. A great workout to help you stay on top of your fitness and coordination. Experience is recommended.

MIND / BODY Sessions

Gentle YOGA

Yoga for all levels. This session covers the basics of yoga so is suitable for any level. A range of poses and postures to suit all levels with modifications offered for more experienced students. A perfect class to make a start on your yoga journey.

Hatha YOGA

A slower more focused type of class, holding postures for longer, connecting with breath and challenging strength of body and mind. This is ideal for beginners and those wanting to work on postures. The practice then follows with 15-minute meditation. (Pre-natal ladies welcome 12-32 Weeks)

Pilates

Pilates is a great way to improve stability at the joints and help to restore the natural function of the body. This gives you a gentle yet challenging workout that's tough on the muscles yet gentle on the joints. Easy to follow, flowing movements making it suitable and enjoyable for all ages and abilities!

Restorative YOGA

Yoga (YIN) that encourages physical, mental, and emotional relaxation for all levels. It is practiced at a slow pace, focusing on long holds, stillness, and deep breathing often using props bolsters and blankets. A great class to take after a busy week!

Vinyasa YOGA

This dynamic form of yoga will move you from posture to posture, creating heat and total body strength and flexibility. Classes vary with attention to different areas of the body, different peak postures or different ways of focusing your attention. All levels welcome. (Pre-natal ladies welcome 12-32 Weeks)

Parents & Tots

Gentle exercise for mummy/daddy and baby. From 3-18 months. A range of simple standing and floor exercises suitable for all levels. FREE 1st Class for members. Contact Steph on 07540946373 to book.

Tone & Stretch

Traditional floor and gentle standing exercises to help improve posture, strength and joint stability. Perfect for those wanting a strong and functional body. Includes a range of flexibility exercises after the stability work. A great class for all levels.
